

Application for Banns of Marriage

Banns of Marriage are required to be called on 3 Sundays prior to the wedding and within 3 months of the wedding. We will normally schedule them to begin on the first Sunday two months prior to the wedding.

It is not a requirement for the couple to be present to hear their banns but it is strongly recommended to ensure they are being called.

Assuming no objection is raised a certificate will be issued which will need to be passed on to the person conducting the marriage.
